Dec 1st is the start of meteorological winter but if we can have weather like Sunday's for the rest I doubt many would complain. There was a bit of mud in case no one noticed.

The sections took marks of everyone this time and quite a few sampled the cold water around section 8.

Section 2 took most of the marks (381 in total!) as it got progressively more slippery.

There was plenty of external assistance required to exit the venue, so thaks all for waiting to help!

Thanks to our observers, volunteers or press ganged, it's appreciated.

Observer's Raffle: Won by Ann on section 3
