I know a lot of you were disappointed to find that "The Bog" and the stream crossing did not feature in today's event. The lack of life boats and heavy recovery vehicles made it a prudent decision. The weather, while cold for the observers, turned out a lot better than forecasts predicted and everyone appeared to enjoy the day. The bikes looked pretty clean at the end, too, which is always a bonus. I didn't get to see anything other than section 4 but it looks like section 8 was the most challenging. 5 cleans for the day and 5 single dabs with a range of scores elsewhere show that Pete and Roger are still getting things about right. Thanks to all observers (me too) for helping the day flow smoothly.

Observer's Raffle: Won by Section 5 (no choccy for the springer though!)
