That was a nice gentle introduction to the new season even though there were quite a few tired bodies by the end of the day (mine included). The still air and mild weather saw some very hot engines getting a bit temperamental. Six riders clean all day - well done.

Thanks to our observers, especially the press-ganged and early finishers stepping up.

The email and paypal entry method has worked well with only half a dozen or so small glitches. I'm sure we'll all get the hang of it.

Observer's Raffle: Won by Ann on section 5 - yes Pete, the one I missed, once!
