A great spring day out in the woods - for those that didn't get vehicles stuck in the mud!  
 The sections were, generally, grippy but challenging enough to take marks off everyone except Mark Spencer and Ben Measures. I could not get my head around section 8 until the last lap and visited the holly bush in section 5 every time! Still, I'm making the rest of B2 look better :)

Some slight scoring anomalies may be evident but overall I think the end positions are about right.  
 We're always grateful for our observers so please keep up the good work.

Our last event of the season is the rearranged Eaton trial on the 28th April, this does clash with some other events but I'm sure we'll see some of you there.

Observer's Raffle: Won by Sarah on section 6
