missed sections

Phew! What a scorcher! A high retirement rate in those conditions is understandable. Well done to finishers. Pete and Roger chose to set the sections out in the shadiest part of the venue and, while a bit tight for the big bikes, there was plenty to keep riders entertained. Some still smiling at the end.

Section 2 took most of the points early on, but riders seemed to get the hang of it later.

I managed to pick the only observing point, in the afternoon, without any shade. Scorchio!

You'll be pleased to hear that Steve Goodman's elbow has been put back in place and no other injury was found. I suspect he'll be out of action for a bit, with his elbow in plaster, but he'll be able to hold a pen for observing!

Observer's Raffle: Won by Diane on section 2
