Another day of fine weather organised by the Taverners.

It can be difficult setting out 'new' routes for the sections but I think Pete and Roger did a cracking job reversing the traditional direction of flow. Thanks again chaps.

The exit on section 7 took most of the day's points as the soft shale got dug out into a big hole.

Approaching lunch I was, notionally, on 1 - until Margaret pointed out I'd gone the wrong way 3 times!!!

Thanks for all our observers, we were fully staffed again, which is great.

A big thank you to Colin, stepping down after 16 years as awards secretary, but not as an observer!!

Observer's Raffle: Won by Janice on section 1 before moving to section 8 and drinking the wine.

Score Sheet Artwork by Edie on section 2
