Considering the 'damp' state of the surrounding fields Pete and Roger did well to get 8 useable sections. There was a marked difference between the three far sections and those on the embankment as can be seen in the scores. Section 5 took most of the points as any grippy bits got used up as the day progressed. The climb on section 6 seemed to be more of a problem for the lighter bikes - one for the thumpers! The usual suspects didn't put a foot down and some admiral low scores as well. It was a bit chilly for the observers, so thanks for sticking with us.
