A breezy day kept the observers hunkered down behind their clipboards while the riders kept warm on some twisty sections that show evidence of Roger's apprentice getting his way. Who let the logs out! It was thought that Simon's main bearings had gone but it was his teeth chattering - time for a vest Si!

Please aim to do half the laps before and half after lunch to even things out and share the change in conditions.

Observer's Raffle: Won by Christine Gagg on section 2
